Wawanesa Climate Champions: Youth Innovation Grant Application

Climate Champions: Youth Innovation Grant is intended to support youth-led projects in partnership with a C2R2 Partner Institution. It is encouraged that youth participants are engaged in all steps of the project, including the application process. All projects will be made possible with funding from Wawanesa Insurance. While successful projects will be enabled by C2R2 Partner Institutions, youth leaders must be closely included in each project.

There is no limit to the number of applications submitted.

If you have questions regarding eligibility or how to complete an application, please email youthinnovation@resilientcolleges.ca.
